

CERTIFIED PROFESSIONAL

INDIVIDUAL ACCREDITATION

To continue to support professionals trained by **The Running Clinic**, we have developed a network of **“Certified”**, **“Certified+”** and **“Expert” Professionals**, as well as **Specialized Clinics**.

The **“CERTIFIED Professional”** status is an individual recognition. It indicates that you have received training at the cutting edge of current knowledge about running and that you are ready to put it into practice. The advantages offered by this status help you maintain a high level of clinical competence and maximize your impact within your community.

Completing our seminar 1.0 is required to achieve this status.
